FormEvo®
Legal Forms Evolved

Fast Forms. Fair Pricing. FormEvo

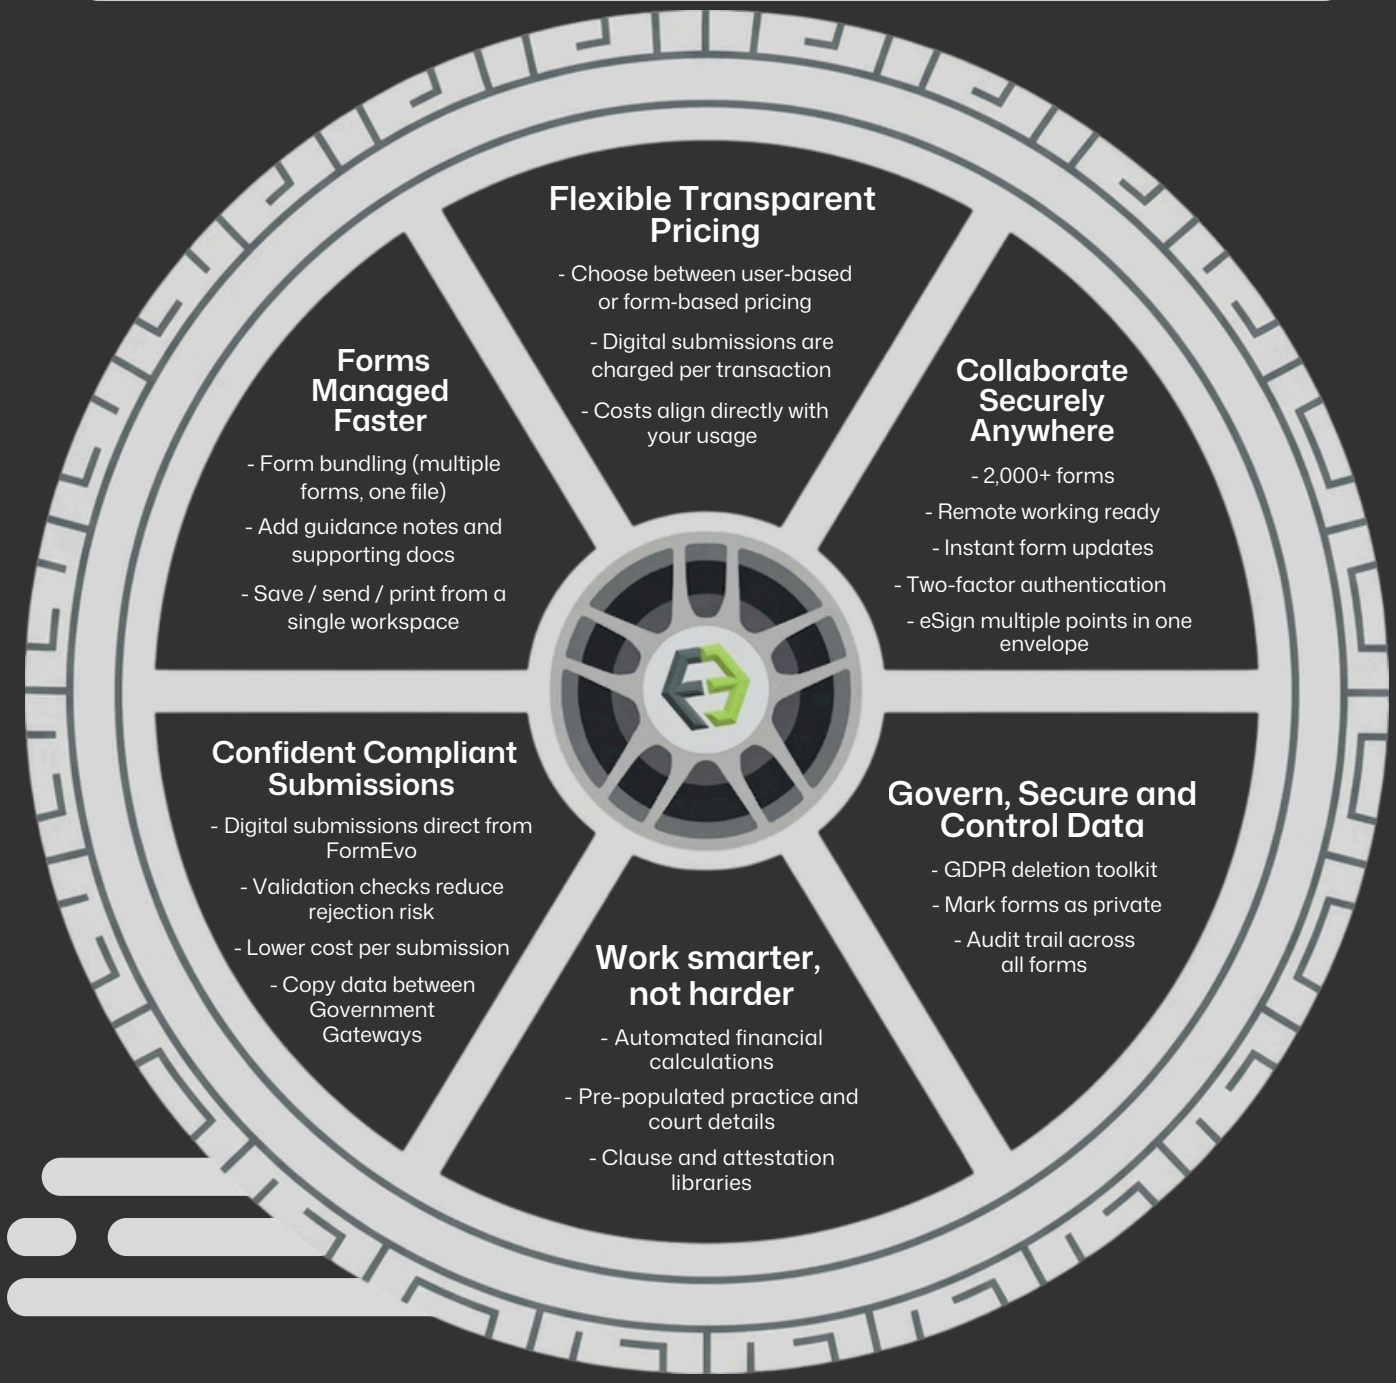

FormEvo: The UK's specialist cloud-based legal forms platform.

Hate filling in forms? So did we. That's why we built FormEvo.

We help law firms move beyond paperwork to create frictionless experiences that save time, strengthen compliance, and build trust at every stage. Fast.

- 2,000+ continually updated forms
- Automated workflows
- Digital submissions
- Built-in compliance
- All in one secure platform

The core benefits of FormEvo include:

Hear from Archie Courage, Managing Director of FormEvo, as he introduces the 6S framework.

See how Select, Sync, Submit, Sign, Share and Shred work together to bring control, consistency and confidence to every stage of the forms journey.

Watch

Tried and tested

"FormEvo's cloud-based legal forms make life simple. The forms solution is easy to use, and the admin time saved with fee earners has had a massive impact on the amount of fees they can produce. We didn't go out looking for tools such as digital filing of eAP1's and digital signatures so this is a real bonus for us".

IT Manager, Birchall Blackburn

Always there

Forms Reimagined
Move beyond the outdated with FormEvo.

On-premises systems are being left behind. A specialist, cloud-based forms platform trusted by more than 740 firms is the solution.

- Continuously updated library
- Powerful automation
- Reusable data
- Bundled workflows
- Seamless digital submissions
